Once the apparent low bidder is determined, all project correspondence occurring with the apparent low bidder will be addressed to the Initial Contact person via e-mail from Contract Services and via the Web-Based project management system. Initial correspondence is expected to consist of requests for information and responses related to DBE and subcontractor related items.

31. **SUBCONTRACTOR DISCLOSURE**

The Bidder must identify, to the extent the information is known, the names, addresses and type of work for all sub-contractors that will be utilized in the performance of this Contract together with the anticipated contract value each sub-contractor is expected to receive pursuant to this Contract. The State may request updated information at any time. For purposes of this section sub-contractors are those specifically hired to perform all or part of the work of this Contract or to provide the supplies requested by the State. In no event shall a subcontractor be allowed to start work prior to approval by the Tollway.

32. **PROCUREMENT COMPLIANCE MONITORS**

Under Public Acts 96-0795, 96-0920 and 97-0895, Agency Procurement Compliance Monitors may review contract documents and any files or records related to procurements, and will report to the Chief Procurement Officer on procurement issues that may require action, and to further report on corrective action not taken by state personnel. 34. **RESPONSIBLE BIDDER AFFIDAVIT**

Public Act 97-0369 amended the Illinois Procurement Code to require a "responsible bidder" to submit a signed affidavit stating that the bidder shall maintain an Illinois office as the primary place of employment for persons employed in the construction authorized by the contract. Therefore, in accordance with the Act the Illinois Tollway is requesting each bidder to complete and submit the "Responsible Bidder Affidavit" form with their bid documents.

35. **REPORT OF A CHANGE IN CIRCUMSTANCES**

The Contractor agrees to report to the Tollway as soon as practically possible, but no later than 21 days following any change in facts or circumstances that might impact the Contractor's ability to satisfy its legal or contractual responsibilities and obligations under this contract. Required reports include, but are not limited to changes in the Contractor's Certification/Disclosure Forms, the Contractor's IDOT pre-qualification status, or certification or licensing required for this project. Additionally, the Contractor agrees to report to the Tollway within the above timeframe any arrests, indictments, convictions or other matters involving the Contractor, or any of its principals, that might occur while this contract is in effect. The reporting requirement does not apply to common offenses, including but not limited to minor/traffic offenses.

Further, the Contractor agrees to incorporate substantially similar reporting requirements into the terms of any and all subcontractors relating to work performed under this agreement. The Contractor agrees to forward or relay to the Tollway any reports received from subcontractors pursuant to this paragraph within 21 days.

Finally, the Contractor acknowledges and agrees that the failure of the Contractor to comply with this reporting requirement shall constitute a material breach of contract which may result in this contract being declared void.

36. **RECORD RETENTION AND AUDIT**

The CONTRACTOR shall maintain in the State of Illinois, for a minimum of five years from the latter of the date of completion of the CONTRACT or the date of final payment under the CONTRACT, adequate books, records, and supporting documents from an accounting system maintained in accordance with generally accepted accounting principles to verify the amounts, recipients, uses and methods of all disbursements of funds passing in conjunction with the CONTRACT. The five year record maintenance period shall be extended for the duration of any audit in progress at the time of that period's expiration. The CONTRACTOR shall at its own expense make such records available in a timely manner for inspection and audit (including copies and extracts of records) as required by the Auditor General and other State Auditors, Chief Procurement Officer, the Illinois Department of Transportation, and the TOLLWAY's Inspector General, Internal Audit or other TOLLWAY agents at all reasonable times and without prior notice.

The obligations of this Section shall be explicitly included in any subcontracts or agreements formed between the CONTRACTOR and any subcontractors or suppliers of goods and services to the extent that those subcontracts or agreements relate to fulfillment of the CONTRACTOR's obligations to the TOLLWAY. Such subcontractor shall be required to comply with the terms and conditions of this Section and the TOLLWAY shall be entitled to enforce a breach of that contract.

Any audit adjustment will be submitted on a final invoice for any underpayment or overpayment to the CONTRACTOR or its subcontractors. The CONTRACTOR shall promptly reimburse the TOLLWAY for any overpayment, or the TOLLWAY at its option may deduct any overpayment from any funds due the CONTRACTOR, whether those funds are due under this contract or other contracts to which the CONTRACTOR is a party either directly with the TOLLWAY or as a subcontractor. In the event the CONTRACTOR fails or refuses to reimburse the TOLLWAY for an overpayment, the CONTRACTOR shall be responsible for all costs, including attorney fees, incurred by the TOLLWAY to collect such overpayment.

Failure to maintain or make available the books, records, and supporting documents required by this Section shall establish a presumption in favor of the TOLLWAY for recovery of any funds paid by the TOLLWAY under the contract for which adequate books, records and supporting documentation are not available to support their purported disbursement.

The CONTRACTOR shall reimburse the TOLLWAY for the total costs of an audit that identifies significant findings that would benefit the TOLLWAY, including but not limited to reasonable attorney's fees and other expenses. Significant findings for the purposes of this provision shall be identified as an amount in excess of \$50,000 in aggregate of the audit report or findings of material performance or compliance deficiencies.

If the CONTRACTOR fails to comply with these requirements, the CONTRACTOR may be disqualified or suspended from bidding on or working on future contracts.

37. **INSPECTOR GENERAL**

The Vendor/Contractor hereby acknowledges that pursuant to Section 8.5 of the Toll Highway Act (605 ILCS 10/8.5) the Inspector General of the Illinois State Toll Highway Authority has the authority to conduct investigations into certain matters including but not limited to allegations of fraud, waste and abuse, and to conduct reviews. The Vendor/Contractor shall fully cooperate in any OIG investigation or review. Cooperation includes providing access to all information and documentation related to the goods/services described in this Agreement, and disclosing and making available all personnel involved or connected with these goods/services or having knowledge of these goods/services. All subcontracts must inform Subcontractors of this provision and their duty to comply.

38. **SMALL CONTRACTOR BRIDGE PROGRAM**

The Illinois Finance Authority (IFA) and the Chicago Community Loan Fund (CCLF) are each providing available financing, which will support public works contracts for small and diverse businesses. The program helps contractors obtain surety bonds required for construction contract bids and get preapproved for a loan for project working capital. Contractors will work with CCLF and a partnering surety bond underwriting firm to establish creditworthiness and project capacity according to the Small Contractor Bridge Program guidelines. Loans can be used to pay for surety bond premiums, suppliers, equipment leasing, employees and other direct project-related expenses. More information about the program, including how to apply, is available at <http://cclfchicago.org/lending/smallcontractors>. More information about the Illinois Finance Authority can be found at [www.il-fa.com](http://www.il-fa.com).

39. **ACCEPTANCE OF SCANNED SIGNATURES**

Such scanned signature will be treated in all respects as having the same effect as an original wet ink signature.

40. **EXPATRIATED ENTITIES**

Except in limited circumstances, no business or member of a unitary business group, as defined in the Illinois Income Tax Act, shall submit a bid for or enter into a contract with a State agency if that business or any member of the unitary business group is an expatriated entity.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

In the event that this Bid shall be accepted by The Illinois State Toll Highway Authority, and the undersigned should fail to execute a Contract with and furnish the security required by the Authority, as set forth in the Standard Specifications, within ten (10) days after receipt of notice of the acceptance of the Bid, such draft or check shall become the property of the Authority, or if a Bid Bond has been submitted, the principal amount of said Bid Bond shall become immediately due and payable to the Authority; otherwise the Bid Guaranty will be returned to the Bidder upon written request, as soon as the Contract and Contract Bonds have been executed. If a bid guaranty is secured by a check, the check will be returned to the bidder.

Pursuant to the provisions of the Prevailing Wage Act, 820 ILCS 130, the undersigned, as part of its Bid for the construction of The Illinois State Toll Highway Contract I-18-4690, hereby stipulates that, if awarded a Contract on said Bid, it will pay the laborers, mechanics and other workers who are employed in the performance of such work hourly wages not less than the minimum hourly wages stated in the instructions to bidders; and that its computations in arriving at said Bid are based on hourly wages not less than those stated in the instructions to bidders; and that if a Contract be entered into under said Bid, the minimum hourly wage rates stated in the instructions to bidders shall become and be a part of said Contract as provided by law.

It is understood that the undersigned will not be permitted to sublet work representing more than Sixty-Five percent (65%) of the total price bid in this Bid; and any and all sub-contractors must be approved in writing by the Chief Engineer before commencing any work.

It is understood that the quantities of work and material shown herein in the Schedule of Prices of the Bid are approximate only, and are subject to increase or decrease as provided in the Standard Specifications. Such increase or decrease shall in no manner affect the validity of the Contract.

On the acceptance of this Bid for said work, the undersigned will furnish and deliver the Performance and Payment Bonds, in the forms required and furnished by the Authority and included in the Contract Documents, with a corporate surety acceptable to the Authority and authorized to do business in the State of Illinois, conditioned as stated in said bonds.

The undersigned has also properly executed or caused to be executed by an officer thereof, if a corporation, the non-collusion affidavit filed with this Bid.

Unless otherwise specified, a current Illinois Department of Transportation "Certificate of Eligibility" shall be included with this Bid, or shall be submitted within twenty-four (24) hours after the Bid Opening. Failure to meet this requirement shall be grounds for rejection of the bid, per Article 102.13 of the Tollway Supplemental Specifications.

The undersigned submits herewith, completely filled out, form of the Authority entitled "Current Contractual Obligations," as required by the Tollway Supplemental Specifications.

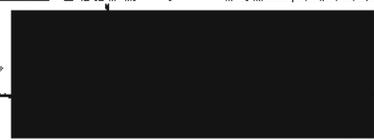

It is agreed that time is of the essence of this Contract and that I (we) will, in the event of my (our) failure to complete the Contract within the time limit named above, pay to The Illinois State Toll Highway Authority liquidated damages in the amount stated in the Special Provision, based on the price(s) shown in the Schedule of Prices of the Proposal.

- A. Core Work shall be the sum of the unit prices supplied by the bidder multiplied by the pay item quantity.
- B. Unit prices for Contractor's Quality Program and Contingency Work will be supplied by the Illinois Tollway with the sum total of this work completed by the Illinois Tollway and included in the Proposal Pages. **For Electronic bids, the total value of the Contractor's Quality Program and Contingency work is to be entered by the bidder in the location provided on the electronic bidding form.**
- C. Base Bid will be calculated as: Total Amount of Core Work + Contractor's Quality Program + Total Amount of Contingency Work

## **FINANCIAL DISCLOSURES AND CERTIFICATIONS**

### **ALERT:**

**YOUR BID WILL BE DEEMED NON-RESPONSIVE and will be REJECTED if Financial Disclosures / Certifications are not submitted with your bid!**

All vendors responding to an Illinois Tollway solicitation must comply with Illinois Procurement Code 30 ILCS 500 – specifically section 50-35 Financial Disclosures and Potential Conflicts of Interest. The Illinois Procurement Gateway (IPG) is a web based system that serves as the primary location for entering, organizing, and reviewing vendor information. The IPG allows prospective vendors to provide disclosures, registrations, and other documentation needed to do business with a State agency or university in advance of any particular procurement. It is highly recommended that vendors register on the Illinois Procurement Gateway at <https://ipg/vendorreg.com>

The submittal shall contain either FORMS A or FORMS B. Offers submitted without FORMS A or FORMS B shall be deemed non-responsive.

FORMS A section contains eight forms and shall be returned by Offerors that are not registered in the Illinois Procurement Gateway (IPG).

FORMS B contains three forms and shall be returned by Offerors that have a current, approved IPG registration.

The Illinois Procurement Code requires the Tollway to collect financial disclosures from any known subcontractor with anticipated participation in excess of \$50,000.00 at the time of the

bid. Subcontractor disclosures will be requested from the successful bidder for any subcontractor identified in the bid immediately after the bidder is determined to be the lowest responsive / responsible bidder.

## **REMINDER TO VENDORS SUBMITTING FORMS B**

Vendors intending to fulfill certification and disclosure requirements by supplying the State with their Illinois Procurement Gateway registration number, expiration date, and "FORMS B" documents must read this clarification document in its entirety.

**VENDORS UTILIZING "FORMS B" MUST BE REGISTERED SPECIFICALLY WITH THE ILLINOIS PROCUREMENT GATEWAY TO BE DEEMED RESPONSIVE TO THIS SOLICITATION.**

In order to verify that you are registered with the Illinois Procurement Gateway (IPG), please click on "Registered Vendor Directory" on the IPG homepage (<https://ipg.vendorreg.com>). Search for your Business Name. If your company does not appear in the search results, then you are not registered in the IPG.

To use FORMS B, vendors must be listed in the "Registered Vendor Directory" as described above, and provide a valid registration number with expiration date from the Illinois Procurement Gateway. Please note that it is possible for vendors who have registered with another government entity (such as the City of Chicago's Compliance and Certification portal) using the same portal software, to have a registration number and expiration date for a different (non-State of Illinois) application process. *Registration information from other government entities will not be accepted.*

If the "Registered Vendor Directory" does not list your company, then you must utilize the "FORMS A" option to meet the certification and disclosure requirements of this solicitation.

Every bid submitted to and contract executed by the State, and every subcontract subject to Section 20-120 of the Procurement Code shall contain a certification by the bidder, contractor, or sub-contractor under the Section, and acknowledge that the Chief Procurement Officer may declare the related contract void if any of the certifications are false.

To promote equality of employment opportunity for minority and female tradespersons on Illinois State Toll Highway Authority (ISTHA or "Tollway") capital construction projects. In its efforts to achieve this equality, it is the desire of ISTHA to follow the guidelines as instituted by the United States Department of Labor, Office of Federal Contract Compliance Programs ("OFCCP") as established through Executive Order 11246 and by Title VII of the Civil Rights Act of 1964.

**II. CONTRACTOR ASSURANCE:**

The Contractor will assure that each of its employees and its subcontractors' employees associated with the contract shall not discriminate on the basis of race, color, national origin, sexual orientation or sex in the performance of this contract in compliance with 42 U.S.C § 2000e, *et seq.* Discrimination is the unfair treatment or denial of normal privileges to persons because of their race, age, nationality, sex, sexual orientation, physical condition, religion or any other characteristic protected by law. The Tollway encourages the prompt reporting of incidents of suspected discrimination, harassment or retaliation, regardless of the offender's identity or position. Any Contractor who fails to carry out these requirements is in material breach of this contract, which may result in the termination of this contract such other remedy, as the Tollway deems appropriate.

**III. EEO GOAL TO BE ACHIEVED BY THE CONTRACTOR:**

The Contractor will adhere to the EEO goals established by the U.S. Dept. of Labor - Office of Federal Contract Compliance Programs ("OFCCP") for construction trade workers in the Chicago area, which is provided through Executive Order 11246. The EEO goals are measured through the following percentages of construction aggregated work hours in each of the categories;

- At least 19.6 percent by minorities, as defined herein; and
- At least 6.9 percent by women.

**IV. DEFINITIONS OF ETHNIC CLASSIFICATIONS:**

**AFRICAN AMERICAN:** Persons having origins in any of the Black racial groups of Africa.

**ASIAN INDIAN:** Persons whose origins are from India, Pakistan, or Bangladesh.

**ASIAN PACIFIC:** Persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Northern Marianas.

**HISPANIC:** Persons of Mexican, Puerto Rican, Cuban, Central American, South American, or other Spanish culture or origin, regardless of race.

**NATIVE AMERICANS:** Persons who are American Indians, Eskimos, or Native Hawaiians.

**V. CALCULATING EEO CREDIT TOWARDS THE GOALS:**

Actual amounts of minority and female work will be measured for the total hours of construction workers employed on the contract within each of the categories of journeyworker, apprentice and laborer by the Contractor and all of the worksite subcontractors. Minority female trade worker hours are counted in

applicable ethnic category and also in the female category.

In the weekly payroll reports, the following ethnic categories should be used to indicate minority personnel for purposes of reporting compliance with the weekly certified payroll report: African American, Asian Indian, Asian Pacific, Hispanic and Native American.

Included in the weekly certified payrolls, as "Apprentices" are only bona fide apprentices currently in a training program certified by the U.S. Department of Labor - Bureau of Apprenticeship and Training, and hours credited towards the EEO Program are only those hours the apprentice was employed at the construction site. "Journeyworkers" are the construction site journeyworkers from the major trades. Other "Helpers," watchmen, custodial workers, clerical workers, and salaried superintendents are not creditable in the formula. Hourly wage "Foremen" and "Foremen" otherwise known as working foremen, will be counted as journeyworkers for purposes of the EEO Program reporting.

In addition to the timely submission of certified payroll required by the Prevailing Wage Act, the Contractor must have submitted all weekly certified payrolls for the Contractor and all subcontractors before the Contractor submits its request for the final release of retention and the final waiver of lien. No adjustments to weekly certified payrolls will be accepted after the transmission of the final waiver of lien.

#### **VI. EEO FORM 0003 WORKFORCE ANALYSIS.**

All contractor and subcontractors' EEO 0003 reports must be submitted electronically to the Tollway.

The party preparing the report must give their name, title, email address and telephone number. The contractor is required to submit EEO Form 0003, Workforce Analysis, electronically before transmittal of each pay estimate commencing with the third pay estimate and every odd pay estimate thereafter. EEO Form 0003 is to reflect all hours worked by trade by the Contractor and all subcontractors during the time period covered in the previous pay estimate. Failure to submit the EEO 0003 Report electronically **before transmittal of the pay estimate** will cause the pay estimate to be deemed incomplete and will be returned to the Contractor for completion.

The Supplement to EEO 0003 for quarterly reporting must also be submitted electronically to the Tollway. Hard copy reports will not be accepted. This Supplement is due by the fifteenth of each month following the end of the quarter (April 15 for quarter ending March 31, July 15 for quarter ending June 30, October 15 for the quarter ending September 30 and January 15 for the quarter ending December 31). Construction Managers will verify timely submission of this report when their review coincides with the quarterly reporting period, as indicated on the Pay Estimate Checklist.

The Contractor is responsible for maintaining a hard copy of the Contractor's and subcontractors' weekly certified payrolls, including all properly executed certifications, organized by contract for every construction worksite. Failure to report fully all required workforce information will cause a delay in processing the Contractor's pay estimates. Disclosure of this information is required. Patterns of delinquent reporting may be cause to terminate this contract or such other remedy as the Tollway deems appropriate.

The Contractor is required to identify an individual responsible for all EEO related reporting issues and the electronic submission of reports to the Tollway. By the submission of such reports by the individual so identified, the Contractor certifies that the information contained in the reports is complete and accurate.

#### **VII. SUBCONTRACTOR OBLIGATIONS:**

The Contractor is required to clearly identify in their subcontract agreements the specific obligations that each subcontractor has toward assisting the Contractor in meeting the EEO obligations.

#### **VIII. GOOD FAITH EFFORT PROCEDURES:**

If the Tollway determines that the Contractor and/or its subcontractors are not in compliance with the EEO goals, the Tollway will notify the Contractor of said non-compliance. The Contractor must submit a Corrective Action Plan within fifteen (15) business days of the date of its receipt of the notice of non-compliance. The Corrective Action Plan must contain evidence of good faith efforts the Contractor has made in an effort to meet the EEO goals and outline the additional good faith efforts the Contractor will be making, including but not limited to timelines, through the remaining life of the contract.

#### **IX. CORRECTIVE ACTION PLAN:**

The Corrective Action Plan must show that the Contractor took all necessary and reasonable steps to achieve the established EEO goals. Necessary and reasonable steps are those that could reasonably be expected to employ and retain a sufficient number of minority and female trade workers to meet or exceed the federally established EEO goals for the Chicago area. The Tollway will consider the quality, quantity and intensity of the kinds of efforts that the Contractor and its subcontractors have made throughout the life of the contract. Mere pro forma efforts are not good faith efforts; rather, the Contractor and its subcontractors are expected to have taken those efforts that would be reasonably expected of a Contractor and its subcontractors who are actively and aggressively trying to employ and retain minority and female trade workers sufficient to meet the contract EEO goals.

#### **X. AMENDED CORRECTIVE ACTION PLAN:**

If the Illinois Tollway determines that the Contractor has not made a good faith effort to meet the EEO goals, the Tollway will notify the Contractor of that preliminary determination by contacting the responsible company official designated in the Corrective Action Plan. The preliminary determination will include a statement of reasons why a finding of insufficient good faith efforts has been made and may include additional good faith efforts that the Contractor could take to remedy the deficiency. The notification will designate a fifteen (15) business day period during which the Contractor may make additional efforts to demonstrate a good faith effort to meet the EEO goals. The Contractor is not limited by the Tollway's suggestions per Sections VIII. and IX. of additional good faith efforts, but may take other actions in order to demonstrate good faith efforts to employ and retain additional minority and female trade workers on the project. The Contractor shall submit an amended Corrective Action Plan if additional employment commitments to meet the EEO contract goal are secured and/or to document its additional good faith efforts. If additional hiring commitments sufficient to meet the EEO contract goal are not secured, the Contractor shall report the final good faith efforts made in the time allotted. All additional efforts taken by the Contractor will be considered as part of the Contractor's good faith efforts. If the Contractor is not able to meet the EEO goal after making additional efforts, the Tollway will make a pre-final determination as to the good faith efforts of the Contractor and will notify the designated responsible Contractor official of the reasons for an adverse determination, if applicable.

#### **XI. DETERMINATION OF NON-COMPLIANCE:**

If the Tollway determines that the Contractor has failed to make a good faith effort to meet the EEO goals on the contract, the Tollway will document its findings in a "Letter of Non-Compliance" that will be filed and will become part of the permanent file maintained on the Contractor by the Tollway. The Letter may include a proposed sanction under Section XIII if the Contractor fails to take corrective action in a timely fashion. Upon a finding that a Contractor has failed to make good faith efforts to achieve the applicable EEO goals, the Tollway may exercise any appropriate sanction available to it under Section XIII, including the revocation of the contract award to the Contractor and any other remedy available to the Tollway under its contract with the Contractor or by law.

#### **XII. ADMINISTRATIVE RECONSIDERATION:**

The Contractor may request administrative reconsideration of a Letter of Non-Compliance within the fifteen (15) business days after its receipt of the Letter by actual delivery of a reconsideration request by the Tollway, Department of Diversity and Strategic Development, 2700 Ogden Avenue, Downers Grove, Illinois 60515-1703 or via email to E-mail address: form0003wfa@getipass.com. Deposit of the request in the United States mail on or before the fifth business day shall not be deemed delivery. The Letter of

Non-Compliance shall become final if the Contractor fails to submit a timely request for administrative reconsideration. A request may provide additional written documentation and/or argument concerning the issue of whether an adequate good faith effort was made to meet the contract goal.

The Tollway Chief of Diversity and Strategic Development or his/her designee will send the Contractor a written decision within fifteen (15) business days after receipt of the request for reconsideration, explaining the basis for finding that the Contractor did or did not meet the EEO goals or demonstrate good faith efforts towards meeting those goals. A decision by the Chief of Diversity and Strategic Development that a good faith effort was made shall be deemed approval of the Corrective Action Plan submitted by the Contractor. A final decision that a good faith effort was not made shall render the Contractor in breach as non-compliant with its contract with the Tollway and may subject the Contractor to sanctions under Section XIII.

**XIII. SANCTIONS:**

The Contractor's failure to achieve its EEO goals or to demonstrate good faith efforts towards meeting those goals may subject the Contractor to administrative sanctions. These sanctions include, but are not limited to, monetary sanctions, including non-release of retainage, and other reasonable sanctions as are permitted by law or equity. In imposing sanctions, the Tollway will consider the bona fide efforts of the Contractor to meet the EEO goals, its history of good faith efforts on other Tollway contracts, the size of the contract, the degree to which the Contractor fell below the EEO goals, and other factors deemed relevant by the Tollway.

Sanctions for non-compliance may include, but are not limited to deeming the Contractor as non-responsible with respect to future business with the Tollway. Thus, a Contractor's repeated failure to meet its EEO obligations on Tollway contracts can be grounds for the Tollway to not award future contracts to the Contractor.

**XIV. INACCURATE OR FRAUDULENT REPORTING:**

Contractors and subcontractors have a duty to accurately report information pursuant to this Special Provision. A Contractor or subcontractor who fails to supply accurate information may be subject to sanctions imposed by the Tollway under Section XIII. A Contractor or subcontractor who intentionally supplies inaccurate information may be subject to civil and/or criminal sanctions. A Contractor must maintain and make available pursuant the Record Retention and Audit Clause of this contract adequate books, records, and supporting documents to verify the accuracy of the information supplied to the Tollway pursuant to this Special Provision.

**XV. OTHER REGULATIONS:**

The adherence to the EEO goals does not abrogate other responsibilities of the Contractor to comply with equal employment opportunity requirements under federal or state law, municipal ordinance, prevailing government regulations or terms contained elsewhere in the Contract.

#### IV. EARNED CREDIT PROGRAM INCENTIVES:

All contractors, subcontractors and fabricators interested in participating in the EARNED CREDIT PROGRAM may earn BID CREDITS which may be applied to Tollway construction contracts advertised for public bidding.

Unused ECP BID CREDITS do not expire.

A contractor/fabricator who employs a first-time ECP CANDIDATE shall earn credits for wages paid to the participant. The original ECP participating contractor/fabricator who hired and employed an ECP CANDIDATE as part of the ECP shall earn BID CREDITS for wages paid to the participant up to 5 years as stipulated in Section V. A contractor may re-hire an ECP PARTICIPANT previously terminated and continue to earn credits for that participant. If the ECP PARTICIPANT is not re-hired, a different contractor/fabricator may hire the ECP PARTICIPANT and may become eligible to earn credits for that participant.

As an example: Contractor A hired and employed an ECP CANDIDATE for one year and did not re-hire the ECP PARTICIPANT the following year, the ECP PARTICIPANT may earn credits for Contractor B.

## **V. CALCULATING EARNED CREDIT:**

Interested contractors, subcontractors and fabricators may employ ECP PARTICIPANTS i on any public or private job located within the State of Illinois and accumulate BID CREDITS at the following rates to be applied to future Tollway construction contracts advertised for public bidding:

- A. Operating Engineers and Structural Steel Ironworkers: 50 cents for every dollar of wages paid;
- B. All other skilled trades and fabricators: 40 cents for every dollar of wages paid;
- C. Skilled Laborers: 30 cents for every dollar of wages paid.

Contractors are eligible for a \$5,000 NEW HIRE BONUS CREDIT when they employ eligible first-time ECP CANDIDATES, retain them for not less than 160 hours and provide written documentation of employment and wages paid.

ECP PARTICIPANTS shall be eligible to earn BID CREDITS for a period not to exceed five (5) years from the first date of initial hire by the first contractor participating in the ECP program inclusive of any layoff periods.

As an example: ECP HIRE 1 worked for Contractor A for one (1) year and was laid off for six (6) months. Upon employment with Contractor B, ECP HIRE 1 continues to be eligible to earn BID CREDITS for the remainder of the five (5) year eligibility term (three (3) years and six (6) months).

## **VI. BIDDING PROCEDURES:**

All bids must comply with the applicable public bidding statutes, rules and regulations and the specific requirements of this solicitation to be considered responsive. Bids that fail to meet these minimum requirements may be considered non-responsive.

Each bid solicitation will have a contract-specific cap as determined by the approved Tollway formula on the amount of Earned Credit that can be applied as a bid credit. This particular solicitation has a cap of \$37,478.00. Any credits applied above and beyond the bid EARNED CREDIT CAP will not be considered.

- A. The Base Bid is to be clearly identified on line #1 of the P page;
- B. Line #2 is to include the total amount of BID CREDITS applied to the bid;
- C. Line #3 is to include the Award Criteria (Line #1 minus Line #2 equals Line #3).

All EARNED CREDIT CERTIFICATES submitted to calculate the bid credit included on Line #2 must be included in the original bid package. All earned credits utilized to become or remain the successful bid will become unavailable for inclusion in any other bid at the time the bidder's award criteria is deemed the lowest responsive and responsible bid. The EARNED CREDIT CERTIFICATE will be redeemed up to the amount needed to allow the contractor's bid to be the lowest bid for award of the contract and any unused remaining balance will be returned in the form of a new bid certificate to the contractor.

## **VII. SUBCONTRACTOR AND FABRICATOR PARTICIPATION:**

Subcontractors and fabricators may participate in the EARNED CREDIT PROGRAM as long as they adhere to the requirements specified herein for prime contractors. Subcontractor and fabricator

EARNED CREDIT CERTIFICATES may be provided to prime contractors and used/applied by prime contractors in a bid solicitation, provided the prime contractor has committed to utilizing the subcontractor/fabricator in the performance of the contract unless such use is prohibited for reasons beyond the prime contractor's control. In the event that a subcontractor becomes disqualified from contract participation by no fault of the prime, (i.e. delinquent debt, etc.) the actual ECP credits utilized by the disqualified subcontractor that factored into the apparent winning bid will not be refunded to the subcontractor's ECP certificate balance.

For the ECP credits to be considered for utilization toward a bid, the submission must include an ECP certificate owned by the prime bidder.

In the event the prime contractor submits a subcontractor and/or fabricator's EARNED CREDIT CERTIFICATES in a Tollway bid solicitation, the prime contractor is required to perform the following:

- A. Ensure that the subcontractor and/or fabricator are aware of and have provided permission to the bidder as indicated on the EARNED CREDIT CERTIFICATE to use the EARNED CREDIT CERTIFICATE in the bid solicitation;
- B. Identify the scope of work and dollar amount committed to each subcontractor and/or fabricator where an EARNED CREDIT CERTIFICATE is being calculated in the bid credit;
- C. Ensure that the EARNED CREDIT CERTIFICATE is in ACTIVE mode. (This can be done through checking the Tollway Earned Credit website ([www.illinoistollway.com](http://www.illinoistollway.com) and click on "Doing Business") prior to submitting EARNED CREDIT CERTIFICATE in a Tollway bid solicitation); and
- D. Ensure that the total amount of EARNED CREDIT CERTIFICATES do not exceed the contract-specific ECP CAP. In the event of a successful bid, the excess credits shall be returned in proportion to what was originally submitted by the prime(s) and subcontractor(s).
- E. The prime contractor shall insert a copy of this ECP Special Provisions in each and every subcontract under this contract and it shall become a material term of the subcontracts.

ECP credits submitted by the prime contractor and/or subcontractor are applied proportionally to the amounts originally submitted on the bid.

#### **VIII. EARNED CREDIT RECORDING:**

To calculate a participating firm's BID CREDITS the Contractor is **required** to submit the following information prior to the Tollway's issuance of an EARNED CREDIT CERTIFICATE:

- a. Completed Request for bid certificate (Request for ECP CERTIFICATE - Form 0006) inclusive of ECP CANDIDATE information and NEW HIRE BONUS CREDIT request selection.
- b. Certified Payroll as evidence of wages paid that includes:
  - i. Contractor name
  - ii. Week ending date;
  - iii. Project and location
  - iv. Project or Contract No.
  - v. Name and Individual Identifying Number of Worker—last 4 digits only
  - vi. Work Classification
  - vii. Hours worked
  - viii. Total hours
  - ix. Rate of Pay
  - x. Gross Amount Paid
  - xi. Deductions
  - xii. Total Deductions
  - xiii. Net Wages Paid

xiv. Signature page

ECP credit will only be given for ECP PARTICIPANTS up to 12 months retroactively from the hire date with evidence of WIA eligibility and receipt of documents as provided in section VIII. This period is inclusive of the ECP PARTICIPANT'S five (5) year eligibility period as provided in section V.

All hours worked may be subject to review and confirmed by the Tollway.

Failure to properly substantiate paid wages with the required information as stated in VIII. on Tollway forms will result in a delay of processing and may result in the loss of earned credits. The Contractor shall maintain a record of wages paid to Tollway referrals in accordance with the contract auditing record retention requirements.

**IX. PROCEDURE FOR REQUESTING EARNED CREDIT CERTIFICATES:**

The participating contractor or fabricator determines whether there are upcoming Tollway bid opportunities that the firm is interested in pursuing as a prime/sub/supplier of fabricated goods; and whether it would like to "cash in" some (or all) of the BID CREDITS earned to date by one (or all) of the ECP PARTICIPANTS employed by the participating firm. The firm confirms the ECP bid certificate is the most current or contacts the Tollway's Diversity Department and makes an official request for a bid certificate as outlined in Section VIII, via e-mail at [ecp@getipass.com](mailto:ecp@getipass.com), fax at 630-271-7548 or postal service at Illinois Tollway – Diversity Earned Credit Program, 2700 Ogden Avenue, Downers Grove, Illinois, 60515

**X. ISSUANCE AND TRACKING OF EARNED CREDIT CERTIFICATES:**

The EARNED CREDIT CERTIFICATE shall be numbered for tracking purposes, and signed and notarized by the Tollway prior to issuance to the requesting firm. The requesting firm shall receive the requested certificate within the following schedule:

- Contractors requesting new EARNED CREDIT CERTIFICATES for ECP Credit earned in the prior month must submit their certified payroll (as listed in section VIII.B) and supporting information to the Tollway by the 15<sup>th</sup> of the following month.
- Tollway's schedule for issuing new certificates is as follows:
  1. Monthly requests covering 30 days, submitted by the 15<sup>th</sup> day of the month will be issued within one week;
  2. All other requests will be considered on a case-by-case basis.

Earned Credits are non-transferable. The original firm issued the EARNED CREDIT CERTIFICATE is the sole owner of the bid credits and shall not transfer, sell, loan or otherwise engage in transactions not specified in this document. ECP Credits transferred as part of merger or acquisition of a firm is allowed.

**XI. LONGEVITY OF EARNED CREDIT CERTIFICATES:**

EARNED CREDIT CERTIFICATES will be INACTIVE once utilized in a successful bid. Should the same EARNED CREDIT CERTIFICATE be submitted in multiple bids on the same date, the first bid opened containing the EARNED CREDIT CERTIFICATE will be considered for bid. All other bids containing a duplicate EARNED CREDIT CERTIFICATE will be placed in a suspended mode until the award recommendation of the prior bids has been issued; at such time, all duplicate EARNED CREDIT CERTIFICATES will be INACTIVATED as applicable and the remaining bid credit(s) and award criteria will be recalculated for subsequent bids. It is foreseeable that a contractor may apply the same Earned Credit(s) to multiple solicitations that have the same bid opening date. Where multiple solicitations have the same bid opening date, the Tollway will open bids in numerical order with the lowest project number

per the last four digits of the contract, being opened first. The certificate will be redeemed up to the amount needed to allow the contractor's bid to be the lowest apparent bid for award of the contract and any unused remaining balance will be returned in the form of a bid certificate to the contractor.

As an example: Bid 01 (RR-XX-1234) included ECP certificate A for \$100, Bid 02 (RR-XX-5678) also included ECP certificate A for \$100. Bid 01 utilized \$50 of ECP certificate A. Upon award recommendation of Bid 01, ECP Certificate A has \$50 remaining available for consideration in Bid 02.

In the event that a subcontractor becomes disqualified from contract participation by no fault of the prime, (i.e. delinquent debt, etc.) and the subcontractor actually utilized ECP credits in the bid process, the actual ECP credits utilized by the disqualified subcontractor that factored into the apparent winning bid will not be refunded to the subcontractors ECP certificate balance.

## **XII. FRAUDULENT USE OF EARNED CREDIT CERTIFICATES:**

Any contractor who knowingly submits an INACTIVE EARNED CREDIT CERTIFICATE shall be permanently barred from participating in the EARNED CREDIT PROGRAM.

Any contractor who submits a subcontractor/fabricator's EARNED CREDIT CERTIFICATE without the permission of the subcontractor/fabricator and/or without committing to utilizing the subcontractor/fabricator by scope of service and dollar value of commitment in the bid shall be permanently barred from participating in the EARNED CREDIT PROGRAM.

Any contractor found to be reporting EARNED CREDIT PROGRAM wages that were not in fact paid or submitting forged EARNED CREDIT CERTIFICATES shall be permanently barred from participating in the EARNED CREDIT PROGRAM. The Tollway may report such reporting abuses to the Office of the Inspector General and applicable law enforcement authorities.

## **XIII. POTENTIAL SUPPORTIVE SERVICE INCENTIVES PROVIDED BY ILLINOIS DEPARTMENT OF EMPLOYMENT SECURITY/ILLINOIS WORKNET:**

Participating contractors and fabricators may be eligible to receive additional incentives from the ECP hires enrolling in the Illinois workNet automated tracking system, Illinois Job Link. The following is a non-exhaustive list of potential reimbursements that the contractor/fabricator may be able to obtain after submission of the necessary receipts/documentation:

- A. Costs associated with mandatory physicals;
- B. Costs associated with mandatory training;
- C. Costs associated with tools, work clothes and work boots; and
- D. Tax incentives associated with hiring specified area codes or group members.

Contractors and fabricators should contact the applicable Illinois workNet for more information. Such reimbursements are not payable by the Tollway.

Situations not outlined in the EARNED CREDIT PROGRAM Special Provisions will be reviewed on a case-by-case basis by Tollway staff.

19. **PERFORMANCE RECORD / SUSPENSION:** Upon request of the State, Vendor shall meet to discuss performance or provide contract performance updates to help ensure proper performance of the contract. The State may consider Vendor's performance under this contract and compliance with law and rule to determine whether to continue the contract, suspend Vendor from doing future business with the State for a specified period of time, or to determine whether Vendor can be considered responsible on specific future contract opportunities.
20. **FREEDOM OF INFORMATION ACT:** This contract and all related public records maintained by, provided to or required to be provided to the State are subject to the Illinois Freedom of Information Act (FOIA) (50 ILCS 140) notwithstanding any provision to the contrary that may be found in this contract.
