PSB 24-1

January 22, 2024

**ADDENDUM NO 2
TO
PROFESSIONAL SERVICES BULLETIN No 24-1**

Addendum No. 2 does not change the due date or time. Statements of Interest are due via the e- Builder process: <http://www.e-builder.net> to the Illinois State Toll Highway Authority, by 4:30:00 p.m. Central Time, February 2, 2024.

ADDENDUM No. 2 / REVISION DATE: January 22, 2024

Clerical error 3.10 FUTURE PROFESSIONAL SERVICE BULLETIN NOTIFICATIONS- Updated spelling from SERVIC to SERVICE

Clerical error on QUESTIONS: refers to PSB 23-1 should be 24-1

Pre-Proposal Presentation and Attendee list

Pre-Proposal Presentation Slide 19 Item 5 DBE goal updated to 18%

QUESTIONS: The Tollway has received the following questions to PSB 24-1 via the e-Builder SOI Mailbox. The Tollway offers the following responses:

Q1: Does a DBE/subconsultant need to have IDOT prequalification to work on a Tollway project? Or is it only the prime that needs the prequal?

Answer: The prequalifications required for each item are specific to the item in question and indicate which prequalifications can be met through subconsultants. A firm does not need to be prequalified to participate on items in the PSB.

Q2: Will the Tollway allow the Prime Consultant to meet the structural prequalifications through a subconsultant for the design items on PSB 24-1?

Answer: The prequalifications for Items 4, 5 6, 7, and 8 remain unchanged.

January 18, 2024

ATTENDEE INSTRUCTIONS

- All attendees must sign in
- Questions should be sent to PSB_24-1.01_Questions_and RFIs@docs.e-builder.net

AGENDA

- **Introduction**
- **PSB Submission highlights**
- **PSB Non-Curable Items**
- **eBuilder Instructions**
- **PSB Schedule**
- **PSB Questions Submittal**
- **Tollway Compliance Requirements**
- **Diversity Department Programs**
- **Engineering Special Items to Note**
- **Revisions to PSB/ Addenda**

INTRODUCTION

- Tollway Procurement – Contract Services- Vanessa Ramos
- Tollway Procurement – Contract Compliance- Seannica Spencer
- Tollway Diversity – Timothy Coleman
- Deputy Chief of Implementation- Cindy Williams

SUBMISSION HIGHLIGHTS

The Following Exhibits and Data Shall Be Submitted In Accordance with The PSB Submittal Instructions **and Shall Be Downloaded From The Illinois Tollway Website for PSB 24-1**.

All Exhibits Submitted for This PSB Must Be Current. Exhibits From Previous PSBs Will Not Be Accepted.

All submittals for this PSB will be received through the Illinois Tollway's e-Builder PSB SOI process at: <https://app.e-builder.net/>. Contact ebuilder@getipass.com for training and login information.

- **Statement of Interest (SOI): Submit one per item proposed**
- **Exhibit A: Proposed (Key) Staff**
 - Required - Submit as a separate pdf document.
 - List all required Key Project Personnel and must include resumes
- **Exhibit C: Instructions for Completing Exhibit C and Current Obligations form**
 - Required - Submit as a separate pdf document.

SUBMISSION HIGHLIGHTS continued,

- **Exhibit D: Availability of Key Project Personnel**
 - Required - Submit as a separate pdf document.
- **Exhibit E-DBE/VOSB: Partnering for Growth Program (P4G)**
 - If proposing a mentor-protégé arrangement with a DBE or VOSB firm, this Exhibit is required.
 - Submit as a separate pdf document.
- **Exhibit E- Reverse DBE/VOSB: Partnering for Growth Program**
 - If proposing a mentor-protégé arrangement with a DBE or VOSB firm where the subconsultant is mentoring, this Exhibit is required.
 - Submit as a separate pdf document.
- **Exhibit F: Veteran Small Business Participation and Utilization Plan**
 - If the item includes a Veteran Goal, this Exhibit is required.
 - Submit as a separate pdf document.

SUBMISSION HIGHLIGHTS continued,

- **Exhibit H: DBE Participation and Utilization Plan**
 - If the item includes a DBE Goal, this Exhibit is required.
 - Submit as a separate pdf document.
- **Illinois Tollway Standard Business Terms and Conditions**
 - Required - Submit as a separate pdf document.
- **SOITEAM Grid Data**
 - Required, see Section 3.4.3 Instructions for Submitting the SOITEAM Data
- **Firm's Commitment and Signature form**
- **Certification Disclosure Forms**
 - Vendor Disclosure (Formerly Forms A), or
 - IPG Active Registered Vendor Disclosure (Formerly Forms B)

AVOID DISQUALIFICATION

- Late submissions
- Failure to submit the Statement of Interest (SOI)
- Disclosures (DS)
 - Vendor Disclosures (formerly Forms A) or
 - IPG Active Registration Vendor Disclosures (formerly Forms B)
- Omission of State of Illinois requirements
- Inability to meet eligibility requirements as stated in 44 Ill. Admin. Code 625.70, Confirmation of Eligibility.

*Review **3.4.5 COMMON MISTAKES**

SUBMISSION via e-Builder

Section 1.2.1 PSB 24-1 SUMMARY

Information for the e-Builder process for PSB 24-1 can be found in the Public Folder at:

<https://app.e-builder.net/public/PublicFolderView.aspx?FolderID={dc0355ee-4323-458e-91b5-547c6655b5f5}>

You will need the following before you can submit an SOI in e-Builder:

- e-Builder resources, including PSB SOI user manual, FAQ file, and videos (see Public Folder link above)
- Webinar Training (see Section 3.7 Useful Links for training webinar registration link)
- e-Builder Login ID (see Section 3.4 Submittal Instructions)
- Firm Code Name (see Section 3.4 Submittal Instructions)

SUBMISSION via e-Builder

This is not an invitation for bids. Consultants properly prequalified for the projects listed herein may indicate their desire to be considered for selection by submitting an SOI to the Illinois Tollway via the e-Builder PSB 24-1 SOI process.

The Illinois Tollway follows the Qualifications Based Selection (QBS) process mandated by Illinois statute (30 ILCS 535): Architectural, Engineering, and Land Surveying Qualifications Based Selection Act) for selecting qualified Consultants under this PSB.

PSB SCHEDULE

- Last Day for Questions no later than January 19, 2024, at 4:30:00 pm Central Time
- Complete SOI's are due no later than February 2, 2024, at 4:30:00 pm Central Time including all required Attachments/Exhibits as specified in this PSB
 - All submittals for this PSB will be received through the Illinois Tollway's e-Builder PSB SOI process at: <https://app.e-builder.net/>.
- Selection Committee Meeting March/April 2024
- Estimated Board Approval April/May 2024
- Estimated Notice to Proceed June/July 2024

SUBMITTAL OF QUESTIONS

- All questions related to this PSB must be submitted electronically through e-builder SOI mailbox at PSB_24-1.01_Questions_and_RFIs@docs.e-builder.net
- PSB 24-1 Questions are due January 19, 2024, at 4:30:00 pm (CT)
- Answers will be addressed via Addendum published on the Tollway Website and the Illinois eProcurement site-BidBuy.
- Information for the e-Builder process for PSB 24-1 can be found in the Public Folder at:

<https://app.e-builder.net/public/PublicFolderView.aspx?FolderID={dc0355ee-4323-458e-91b5-547c6655b5f5}>

TOLLWAY COMPLIANCE REQUIREMENTS

Tollway Compliance Requirements

TOLLWAY COMPLIANCE REQUIREMENTS

Required at time of bid for each self-performing prime and each subcontractors

- Encourages prime consultants to assist D/M/WBE firms and veteran-owned small businesses
- Mentor and Protégé work on agreed-upon scope designed to help expand the Protégé's technical capabilities and develop skills needed to work with the Tollway
- Proposed relationships require Exhibit E with Statement of Interest

Technical Assistance Program

- Providers can assist with preparation of capabilities statements and Statements of Interest
- Certification and prequalification application assistance
- Relationship building and matchmaking opportunities

PARTNERING for GROWTH

POWERED BY THE ILLINOIS TOLLWAY

Taking your Business to the Next Level

TECHNICAL ASSISTANCE

POWERED BY THE ILLINOIS TOLLWAY

Equipping Businesses for Success

PSB 24-1

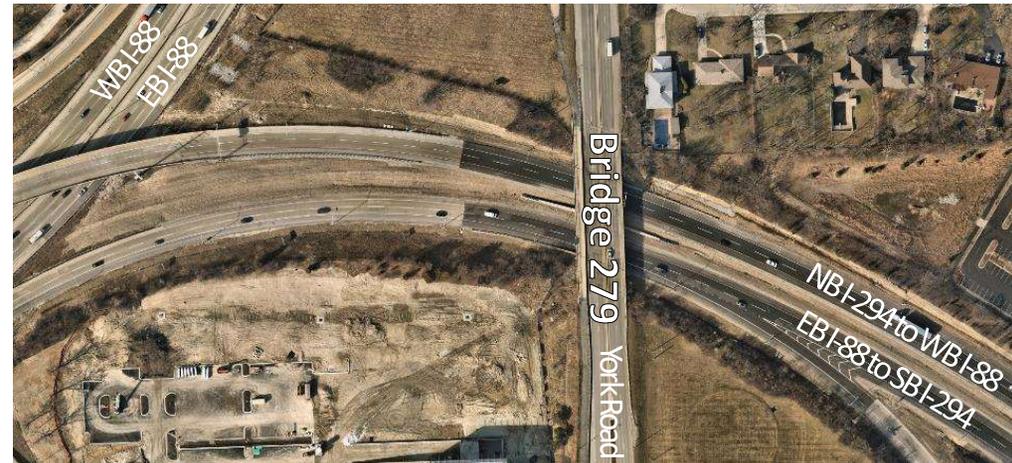

Item 1: RR-24-4943 Phase III Construction Management Services

York Road Bridge Reconstruction, I-88, MP 138.7

Bridge 279 Reconstruction

- Complete bridge reconstruction with one retaining wall
- Location: York Road over ramps connecting I-88 and I-294
- Improvements to exit ramp from EB I-88 to York Road
- Coordination with the Village of Oakbrook
 - York Road widening and resurfacing
 - Bike path access
- Anticipate bridge reconstruction construction contract complete by end of 2025

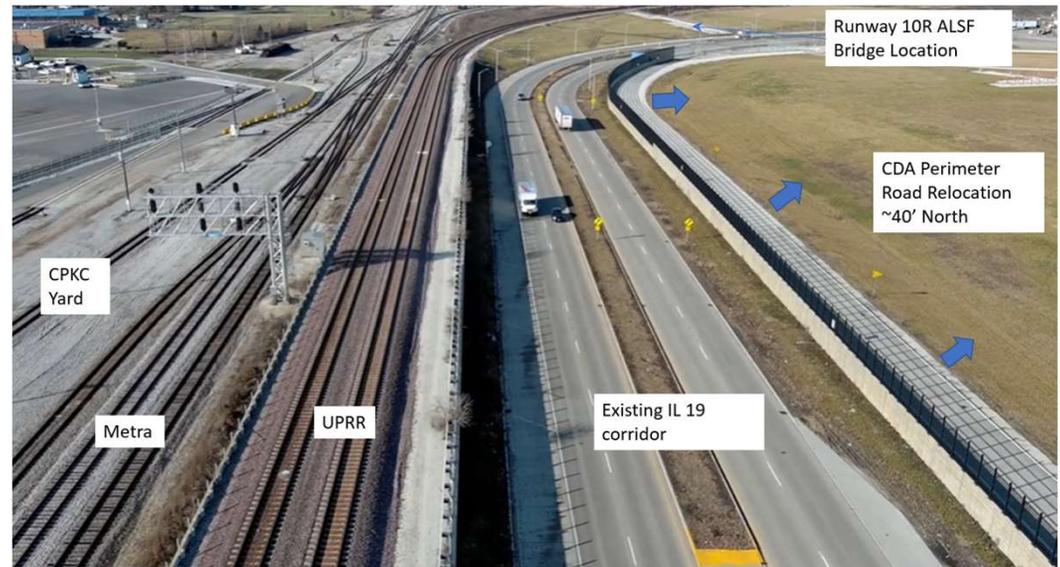

Item 2: I-24-4759 Phase III Construction Management Services

Irving Park Road (IL 19) from York Road to Taft Avenue, I-490

I-490 Advance Work Construction

- Includes airport perimeter road and retaining wall construction, fencing installation, ALSF installation and associated new bridge construction
- Five retaining walls and three bridge structures are included in the project
- Work along Irving Park Rd and within the existing secured area at O'Hare Airport
- Requires experience with construction adjacent to the airport and with CDA/FAA
- Anticipate construction contract complete by early 2026

Looking West along Irving Park Road @ Southwest Corner of Airport

Item 3: I-24-4944

Planning Studies Upon Request

Systemwide

Planning Studies & Engineering Services

- Feasibility Studies, Master Plan Studies and/or Concept Reports for new interchanges
- Toll Plaza Studies which may include repurposing or redevelopment
- Work with Environmental Unit in Developing Fleet Improvements for Tollway vehicles
- Aesthetic and landscape planting improvements
- Financial and economic impact assessments on existing or future Tollway projects

BRIDGE RECONSTRUCTION PHASE II DESIGN SERVICES

Item 4: I-24-4945

Phase II Design Engineering Services

Lake Cook Road Bridge Reconstruction and Rehabilitation and Ramp Toll Plaza Reconstruction, I-94, MP 25.3

Bridge 341 Reconstruction

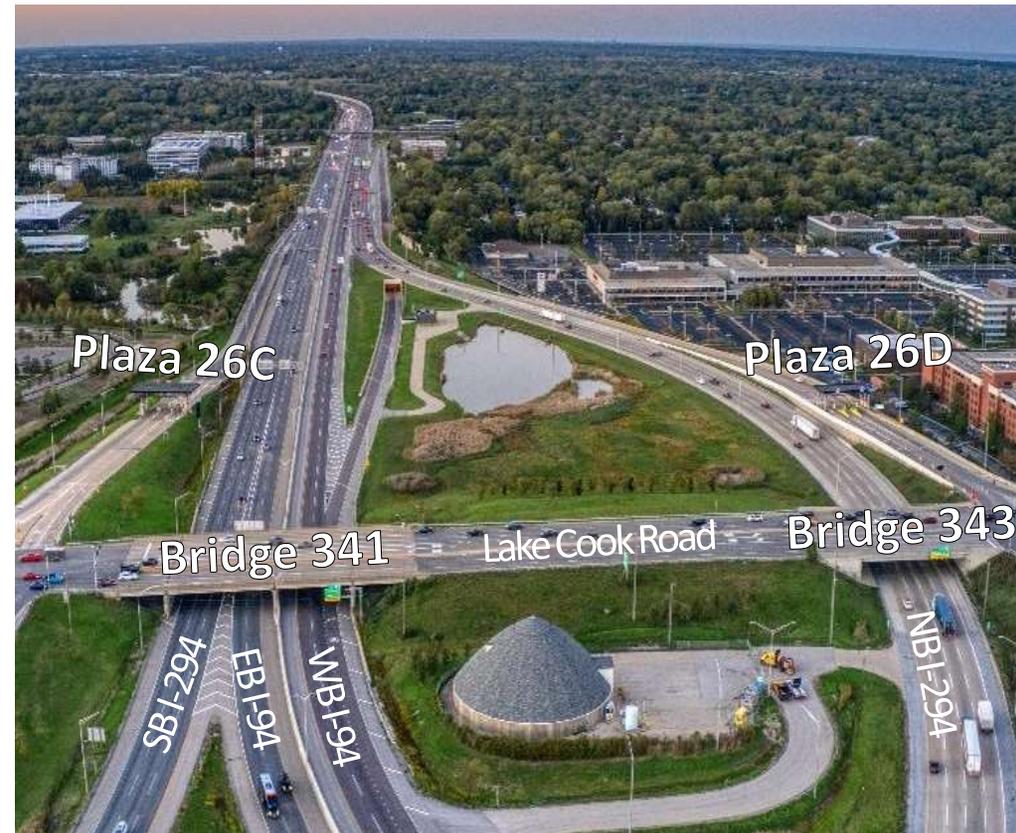

- Complete bridge reconstruction with one retaining wall
- Raise profile to increase vertical clearance
- Coordination with Cook and Lake Counties

Bridge 343 Rehabilitation

- Rehabilitate bridge constructed in 2008
- Coordination with Cook and Lake Counties

Toll Plaza 26 Reconstruction

- Exit from EB I-94 and entrance to WB I-94
- Remove canopies and barrier walls
- Construct new tolling zones
- Coordination with Business Systems

Item 5: I-24-4946

Phase II Design Engineering Services

Union Pacific Railroad Bridge Reconstruction, I-90, MP 19.5

Bridge 737 Reconstruction

- Complete bridge reconstruction
- Improvements include widening I-90 cross section to increase shoulder widths
- Coordination with Union Pacific Railroad
 - Railroad Milepost 82.59
 - Nearby grade crossing at Ipsen Road with spur track to a manufacturing facility
 - Potential second track addition
- Targeting construction completion by end of 2027

A nighttime photograph of a bridge under construction. A large white crane with "ROYAL" written on its boom is lifting a long, rectangular concrete beam. Two workers in high-visibility yellow jackets and hard hats are on the bridge deck, one holding a rope attached to the beam. The bridge deck is covered with wooden formwork and rebar. A bright work light illuminates the scene. The text "BRIDGE REHABILITATION PHASE II DESIGN SERVICES" is overlaid in white, bold, sans-serif font across the center of the image.

BRIDGE REHABILITATION PHASE II DESIGN SERVICES

Item 6: I-24-4947

Systemwide Bridge Rehabilitation

Phase II Design Engineering Services

Bridge Rehabilitation

- Anticipated scope of work primarily consists of bridge deck overlays and joint repairs/replacements
- Coordination with Cook County, DuPage County, Lake County, Village of Naperville, and Village of Woodridge
- Design services include inspecting and providing repair recommendations based off current condition and future planned improvements at a given location

Types of Bridges

Mainline	Crossroad	Total
3	9	12

Item 8: I-24-4949

Phase II Design Engineering Services

Bridge Rehabilitation, I-88, Burkett Road (MP 56.0) to Steward Creek (MP 74.3)

Bridge Rehabilitation

- Anticipated scope of work primarily consists of bridge deck replacements/overlays and joint repairs/replacements
- Coordination with various local agencies for maintenance of traffic for crossroad bridge rehabilitations
- Design services include inspecting and providing repair recommendations based off current condition and future planned improvements at a given location

Types of Bridges

Mainline	Crossroad	Total
4	14	18

Networking

After today's Pre-Proposal meeting a Networking event will be taking place.

Please aware that there will be no discussions involving PSB 24-1

Questions may be sent to
PSB_24-1.01_Questions_and_RFIs@docs.e-builder.net

THANK YOU FOR
PARTICIPATING!
